## EDUCATION

### Quaid-e-Awam University Of Engineering Science & Tech, Nawabshah - Graduation

Dec 2021 - Present

I am Studying B.E in Software Engineering in 2nd year 3rd Semester

## PROFESSIONAL SUMMARY

I'm an Expert in creating websites. I have a strong understanding of programming languages such as HTML, CSS, JavaScript, Php, and potentially other languages depending on the requirements of the website. I have a good understanding of web development frameworks and libraries, such as React, Tailwind, Laravel, and Bootstrap.

I develop responsive websites that are optimized for different devices and screen sizes. I have knowledge of web server configuration, security, and deployment.

In addition to technical skills, I have good problem-solving and communication skills. I like to work collaboratively with other developers, designers, and stakeholders to ensure that websites meet business requirements and are delivered on time and within budget. I keep myself up-to-date with the latest trends and technologies in web development.
